

The Minnesota FoodShare March Campaign is the largest grassroots food and fund drive in the state. Please help us reach CAC's goal of **\$125,000 and 50,000 pounds of food!**

CAC has seen a 30% increase in households accessing the food shelf.

Over the past year, CAC has seen more need than ever before. In order to meet this increase in need, CAC has made huge improvements to our food shelf and created an open, inviting resource center where community members can turn to in times of struggle with no appointment needed.

Senior citizens on fixed incomes wrestle with choosing between medications or food and simply cannot afford both. Parents working multiple jobs struggle to pay rent, utilities, and medical expenses, and have enough left over to feed their children. We must respond and we have. The community has risen to this increased need in 2019 and we ask for your support as we rally to reach our goal for 2020.

Stretch your dollar!

CAC has access to discounted food programs and can stretch your dollar up further than a grocery purchase!
